### **Attachment to our inquiry/order number/our attached part description Declaration on export restrictions**

Ladies and gentlemen:

As you also know in your company, exported and re-exported goods are subject to the applicable German, European and US regulations.

Since it is not possible for organizational reasons to include general information in quotations, order confirmations, invoices and shipping documents, we hereby ask you to forward the following information with regard to the items/products inquired/ordered from your company:

1. Is an official approval in accordance with the German law required?  
If such an approval is required, please tell us under which export list item number the product is registered:  
Export list item no.: \_\_\_\_\_
2. a) Is an official approval in accordance with EC law required or is the product registered in the attachments of the EC Dual-use Regulation?  
If such an approval is required, please tell us the item number under which the product is registered:  
EC attachment item no.: \_\_\_\_\_
2. b) Is in accordance with the valid EC Regulations at direct or indirect exports to Iran, respectively is the product documented in the appendixes of this Regulation?  
If such an approval is required, please give us the item under which the product is registered:  
Item no.: \_\_\_\_\_

## Telefax

3. Is an official approval for re-exportation in accordance with the US law (Export Administration Regulations) required?

If the product was not exported for the first time, you know the ECCN. In such cases it is also known for which countries a license is required and which exceptions with regard to licenses are possible for this product.

If you yourself are not in a position to find out the ECCN, the ECCN must be applied for at the "Bureau of Industry and Security". For this purpose you must make a written application on the US form BXA-748P. For instructions how to fill in the form refer to the cover sheet of the application form or to the internet address: <http://www.bis.doc.gov/>.

If such an approval is required, please tell us under which ECCN (Export Control Commodity Number) of the CCL (Commodity Control List) the product is registered:

ECCN: \_\_\_\_\_

4. Please inform us about the percentage of included US-parts in your product:

no US-percentage  lower 10 %  lower 25 %  higher 25 %

5. Please tell us the applicable

Statistical product number of the product: \_\_\_\_\_

6. Please tell us the applicable

Country of origin of the product: \_\_\_\_\_

7. Please tell us the applicable

Net weight of the product: \_\_\_\_\_

We thank you very much in advance for a quick response to our questions.

Yours sincerely,

**Ecoclean GmbH**
